NOTICE

Draw your own conclusions on supplies and demands, but we believe: First; Supplies of La. White, Dutch, Crimson and other clovers are definitely short. Also Oats of the varieties we sell are running out as well as Florida Black Rye. While Hubam Clover and Lupine adequate at present, sudden heavy demands caused by favorable planting conditions may exhaust them quickly. Second; Ryegrass declined sharply, but stronger lately. Pensacola and other Bahia grasses also Bermuda and Dallis will be stronger in the Spring.
